Request for on-ground works.

An opportunity has arisen through council to undertake a range of basic on-ground works within our Shire. It's a great opportunity to remove problem weed areas or to get assistance with planting.

Please detach this voucher, insert your name in the panel under the Landcare Logo, and present it on either a Thursday, Friday, or Saturday during June or July to collect your indigenous plants and Member's sign from David & Bhavani's farm.
